EXPERIENCE THE DIFFERENCE

About Us

Econopak is working alongside a selected number of world class manufacturers to ensure the highest standard of co-ordination, production, export and delivery of Valves, Pipes, Fittings, API 6A/6D Products, Flanges, Stud Bolts, Gaskets, Steam Products and Instrumentations. Our mission is to be the leader in supplying products and customer satisfaction while continuing to maintain a service that represents quality.

We supply to the Oil, Gas, Chemical, HVACR, Refineries, Fertilizers, Oil and Gas Storage facilities, Petrochemical and Offshore Industries, throughout Pakistan and South East Asia. All our products supplied are made to the highest quality and controlled to the relevant standards such as ASME, ASTM, API, BS, DIN. All our products supplied are made to the highest quality and controlled to the relevant standards such as ASME, ASTM, API, BS, DIN Stdâ€™s. If you are involved in a project (s) in Pakistan, Iran, Afghanistan and CIS Countries please contact us for more information on how we can be of service.

Strengths of Econopak

- Project Package Solution – Complete Valves & Piping
- Global Sourcing & Malaysia Stocks
- Top International Brands
- Product Engineering & Selection
- Product Testing (Visual & Pressure)
- Good Price Vs Quality

HVAC / Plumbing / Utilities

Econopak is working alongside a selected number of world class manufacturers to ensure the highest standard of co-ordination, production, export and delivery of Valves, Pipes, Fittings, API 6A/6D Products, Flanges, Stud Bolts, Gaskets, Steam Products and Instrumentations. Our mission is to be the leader in supplying products and customer satisfaction while continuing to maintain a service that represents quality.

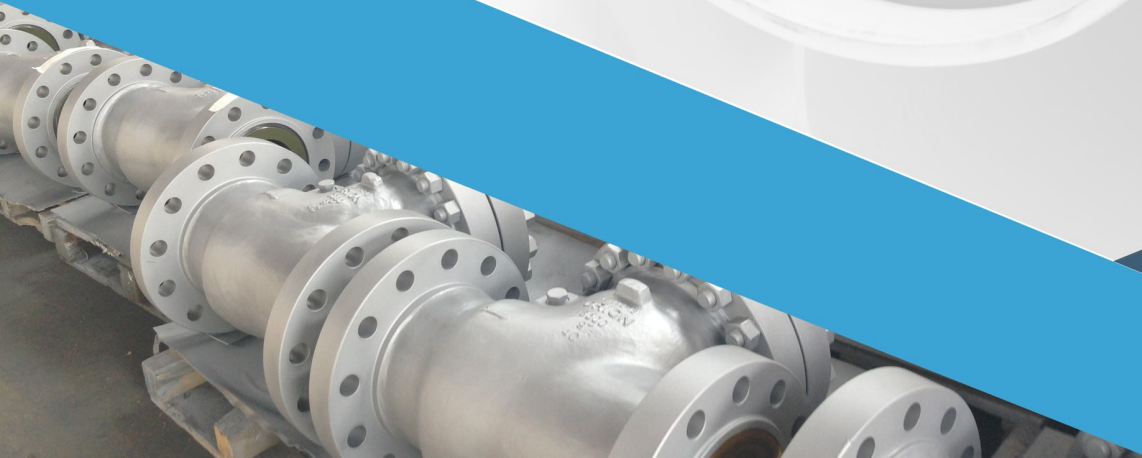

- Pipes & Fittings
- Gate / Globe / Check Valves
- Butterfly & Ball Valves
- Strainers
- DRVs, PICVs & AFCVs
- AHU/FCU Electric Valves
- Pressure Reducing Valves
- Surge / Back Flow Preventers
- Air Relief Valves
- Flow Meters
- Expansion Joints
- PP/PVC & PP-R Pipes, Fittings and Valves
- Flexible Ducts & Joints
- Instruments

Oil & Gas, (Petro)Chemical, Power Plants

Econopak is working alongside a selected number of world class manufacturers to ensure the highest standard of co-ordination, production, export and delivery of Valves, Pipes, Fittings, API 6A/6D Products, Flanges, Stud Bolts, Gaskets, Steam Products and Instrumentations. Our mission is to be the leader in supplying products and customer satisfaction while continuing to maintain a service that represents quality.

- Gate Valves
- Globe Valves
- Check Valves
- Ball Valves
- Butterfly Valves
- Double Block and Bleed Valves
- Plug & Diaphragm Valves
- Motorized Control Valves & Instrumentation
- Pressure & Vacuum Relief Valve
- Flame Arrestors

Complete Fire Protection Products

- Seamless Pipes – UL listed
- Fire Fighting Valves – UL/FM
- Fire Fighting Pump – Non UL
- Hydrants – All Types
- Gauges & Indicator Post
- Breaching Inlets
- Hoses & Nozzles
- Landing Valves
- Fire Fighting Cabinets
- Fire Hose Reels
- Extinguishers
- Grooved Fittings (UL listed)
- Screwed Fittings (UL listed)

Strategic Alliances – HVAC, Water, O&G, & Water Treatment
